Funded by the local community and opened in 1909, Pitlochry Golf Course has been owned by the Butter Family of Cluniemore since 1921 when they purchased the shares of the then struggling Pitlochry Golf Club Ltd.

Unlike a traditional members club Pitlochry Golf is a business and from 2010 the course has been operated by local businessman & member of 50 years, Stephen Carruthers.

Since that time there have been significant investment in the facilities including the building of our indoor/ outdoor driving range and short game area, as well as the construction of our stunning 6 hole par 3 course the "Lettoch Links".

2020 saw the launch of our Red Deer Pub & Restaurant which also comes under the Pitlochry Golf management.
